GREATER
THINGS
CAMPAIGN

BUILDING HOPE THROUGH HEALTHCARE

In 1992, Good News Clinics opened as a nonprofit Christian health center charged with **nurturing broken bodies and souls and providing healing for both.** With community support, the Clinics began to grow and expand, eventually becoming the largest free clinic in Georgia.

Over the past thirty years, the Clinics have grown from seeing a few patients in a local homeless shelter to being a lifeline for over 3,500 patients annually. From humble beginnings a few hours each week, our volunteer clinic has grown to include a medical, dental, and eye clinic, counseling program, specialty referrals and imaging program, and medication dispensary, all available five days per week.

LIVING OUR VALUES

Good News Clinics is a collaborative, synergistic nonprofit, dedicated to fulfilling Jesus' call to do **GREATHER THINGS.** Like a beautiful tapestry, our values weave a strong fabric to support the fundamental and critical needs of the poor.

"WHOEVER BELIEVES IN ME WILL ALSO DO THE THINGS THAT I DO; AND GREATER THINGS THAN THESE WILL THEY DO..."

—John 14:12

WHY SHOULD I GIVE?

As a non-profit, Good News Clinics relies on volunteers to provide clinical services. Volunteer healthcare providers give their time and expertise to care for those with no other options. With the recent expansion to increase capacity comes the need to extend our campaign. Continued support of the Greater Things campaign means strengthening the future of our mission to ensure continued services to vulnerable Hall County residents for years to come.

The Greater Things Campaign aims to support two campaign pillars.

2 PILLARS

PROGRAM SUPPORT

ENDOWMENT

ENDOWMENT

An endowment is a fund that is invested to provide **on-going, predictable, long-term support for the organization.** Endowments are designed to keep their initial investment amount intact and growing, using only the investment income for organizational expenses. An initial endowment campaign was launched in 2013, establishing what we now have in our endowment fund. It provides not only security for our mission now, but also ensures donors that Good News Clinics **mission will endure well into the future.** Endowed funds are revenue streams for the life of the organizations, sustaining us with invaluable financial support through unstable times and lessening potential reliance on fundraising efforts.
